**Divine Scapegoats: Demonic Mimesis in Early Jewish Mysticism** Andrei A. Orlov

*Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts.*

*Divine Scapegoats* is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: *2 Enoch* and the *Apocalypse of Abraham*. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the *Apocalypse of Abraham*, the divine light and darkness of *2 Enoch*, and the similarity of mimetic motifs to later developments in the *Zohar* are of particular importance in Orlov's consideration.

Andrei A. Orlov is Professor of Judaism and Christianity in Antiquity at Marquette University. He is the author of several books, including *Dark Mirrors: Azazel and Satanael in Early Jewish Demonology*, also published by SUNY Press.
