Stig Dagerman

El hombre desconocido (Letras Nórdicas nº 37) (Spanish Edition) Stig Dagerman

Este libro reúne los mejores cuentos del escritor sueco Stig Dagerman. Un tema central recorre toda su obra y toda su vida: la solidaridad como idea suprema, principio ético y compromiso responsable. Hijo de la clase obrera, desde niño pudo saborear la dicha de la fraternidad en medio de los estragos de la Gran Depresión; en algún lugar escribe que toda su infancia fue un interminable convoy de pordioseros. En este contexto merece especial mención su solidaridad con la España republicana y con los represaliados de la dictadura franquista. Su casa fue lugar de encuentro de numerosos antifascistas y miembros de las Brigadas Internacionales.

Los veinticinco relatos que componen este libro reflejan los conflictos y angustias que definieron a toda una generación: la que fue testigo del último suspiro de una forma de vida eminentemente agrícola y que vivió los desastres de la II Guerra Mundial.
