From the book:

Your body is changing, your family and friends are changing, your strength and speed of mental processing are changing, and your priorities are changing. How are you dealing with these changes? Denial? Acceptance?

As for me, if acceptance means “approval,” I say no, I don’t approve of some of what is happening as I age. If acceptance means I will work change into my life, then I say yes. If change means painful loss and disappointment, I say no, I don’t want any of that! (And do I have a choice?) If change means growth, forward movement, and a refreshed attitude, I say yes!

Let Pamela Blair will guide you through the thoughts and feelings about aging that may be dragging you down. Let her point the way to a different, optimistic and clear eyed, way of getting older—better.
