[Menage and More: Erotic Paranormal Menage a Quatre Romance, M/F/M/M, werewolves, HEA] Kianna came home with one thing in mind...to finally claim the men of her dreams. What she got were three alpha wolves ready, willing, and waiting for her. But her childhood had been the stuff of nightmares. In order for her to stand proudly beside her men, she has to face the demons of her past. One of them wanted to help her and the other wanted her dead. Should she trust the one man who tormented her early life, or is he just helping to destroy her? With the three men she loves in danger, maybe just giving in is the best for all of them. Can she get past her nightmares and claim what is rightfully hers, or will her half brother win and kill her before she has the chance? Note: There is no sexual relationship or touching for titillation between or among siblings. \*\* A Siren Erotic Romance
