## The Ethics of War: A Zondervan Digital Short Scott Rae

Derived from Scott B. Rae's widely adopted textbook, *Moral Choices*, this digital short looks carefully at war in the Bible and at major Christian views on war, including pacifism, nonviolence and nonparticipation, and Just War theory. Not afraid to tackle hot-button issues like nuclear weapons and waterboarding, Rae also includes cases and questions for further discussion. *The Ethics of Business* thus provides a wise and well-grounded introduction to a key ethical question for Christians, namely, "Can I support or participate in war?"
