Christopher Berry Gray

The Methodology of Maurice Hauriou: Legal, Sociological, Philosophical. (Studies in Jurisprudence)

Christopher Berry Gray

This book shows that Hauriou's positivist and pragmatic jurisprudence and social theory, as well as their application to the study of institutions, is satisfactorily supported by his idealistic philosophy. The nine chapters first locate Hauriou's influences, then situate his disciplinary methodologies within methodology in general. The central chapters concern each of the three methodologies in turn.
