Windy City Blues

Renee Rosen

Windy City Blues Renee Rosen

The bestselling author of *White Collar Girl* and *What the Lady Wants* explores one woman's journey of self-discovery set against the backdrop of a musical and social revolution.

In the middle of the twentieth century, the music of the Mississippi Delta arrived in Chicago, drawing the attention of entrepreneurs like the Chess brothers. Their label, Chess Records, helped shape that music into the Chicago Blues, the soundtrack for a transformative era in American History.

But, for Leeba Groski, Chess Records was just where she worked...

Leeba doesn't exactly fit in, but her passion for music and her talented piano playing captures the attention of her neighbor, Leonard Chess, who offers her a job at his new record company. What begins as answering phones and filing becomes much more as Leeba comes into her own as a songwriter and befriends performers like Muddy Waters, Howlin' Wolf, Chuck Berry, and Etta James. But she also finds love with a black blues guitarist named Red Dupree.

With their relationship unwelcome in segregated Chicago and shunned by Leeba's Orthodox Jewish family, Leeba and Red soon find themselves in the middle of the Civil Rights Movement and they discover that, in times of struggle, music can bring people together.

From reader reviews:

Tyrell Gutierrez:

Book is written, printed, or created for everything. You can recognize everything you want by a publication. Book has a different type. As we know that book is important thing to bring us around the world. Next to that you can your reading ability was fluently. A guide Windy City Blues will make you to always be smarter. You can feel more confidence if you can know about every thing. But some of you think that will open or reading the book make you bored. It is not make you fun. Why they could be thought like that? Have you trying to find best book or appropriate book with you?

Velma Stuart:

Why? Because this Windy City Blues is an unordinary book that the inside of the guide waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book close to it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of rewards than the other book have such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Frank Botelho:

Are you kind of occupied person, only have 10 or maybe 15 minute in your time to upgrading your mind talent or thinking skill even analytical thinking? Then you are receiving problem with the book than can satisfy your short period of time to read it because this time you only find reserve that need more time to be learn. Windy City Blues can be your answer because it can be read by a person who have those short time problems.

Patsy Kuster:

A lot of reserve has printed but it differs. You can get it by web on social media. You can choose the very best book for you, science, witty, novel, or whatever through searching from it. It is referred to as of book Windy City Blues. You can add your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make you actually happier to read. It is most essential that, you must aware about e-book. It can bring you from one destination to other place.
