## Bite-Size Franklin: Wit & Wisdom from a Founding Father

As a bestselling author and our nation's earliest spokesman, Benjamin Franklin brilliantly extolled virtues of temperance, industry, and self-reliance --character traits which throughout our history have been celebrated as both personally liberating and quintessentially American.

In this next installment of the highly successful Bite-Size series, Bite-Size Franklin draws some practical wisdom, and more than a few laughs, from Franklin's intimate letters, scientific essays, newspaper articles, and revolutionary writings, as well as from the pages of career advice, aphorisms, and humorous verse he weaved together in his Autobiography, and in his yearly publication Poor Richard's Almanac.
