**This book is specially designed in Amazon's fixed-layout KF8 format with region magnification. Double-tap on an area of text to zoom and read.**

Bestselling cartoonist Jim Benton of It's Happy Bunny and Dear Dumb Diary fame has also been posting whimsical, dry-humored, and at-times nasty cartoons on Reddit.com, where nearly half of the top-100 cartoons on the "Cartoons" subreddit are his. Now, for the first time, these cartoons have been gathered into a single book. From wry observations about the absurdities of life and acerbic comments to poetic musings, from cats and dogs to humans, and from one style to another, this compendium will astound readers as it exposes them to the breadth of Benton's seemingly inexhaustible talent for humor.
