Developing in Ministry: Handbook for effective Christian learning and training Neil Evans

This book describes how, in adopting an organic approach to ministry development, it is possible to make a real impact on people's lives and ministries; this approach is based on the organics model proposed by James Hopewell. Backed by thorough research, and wide reading in the literature, this book nevertheless keeps in touch with what is happening in the grassroots and is realistic as well as hopeful, about what can be achieved.
