As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this It's Cool to Learn About the United States: Southwest (Explorer Library: Social
