Lisa is a party-loving, fun time girl who just wants to have a drink with her friends and forget about everything else. One night at the club she meets Rick, a charming and handsome stranger who ends up leading one thing to another. But she's not the type of girl to normally have a one-night stand, and she can't help but feel as though she can't see this man ever again – not after sleeping with him the night they first met.

But things get a whole lot more complicated, and fast, when Lisa realises that there's a deeper reason behind her recent bout of sickness than badly cooked food. She is pregnant – and knows without a doubt that the baby is Rick's. She doesn't think she can contact him... until she sees him on the television and realises he's a billionaire entrepreneur with his own huge company. But when she finally tells him about the baby, will he believe her – or will he simply think of her as yet another gold digger?
