Video game designer River Weston is ready to sell her soul to smooth out the glitches in her latest project. When she unwittingly taps into a parallel dimension via cutting-edge technology, a Dark Lord is quick to take her up on her inadvertent offer. Trapped in the world she thought she'd created for her game, River finds herself in a very real alternate dimension that she must escape from before her soul can be used to unleash evil--upon this dimension and many others.

River's only ally is the sexy and mysterious Chase Hawkins. A prisoner of the Dark Lord, Hawk is a man adrift—literally. His body safe at home under the watchful care of the Guardians' scientists, his astral-traveling spirit has been enslaved by his people's worst enemy, the Dark Lord. Clinging desperately to his sense of self, Hawk is determined to turn the tables on his captor before the connection to his body is lost. When the beautiful, achingly familiar River enters the picture, he vows he will do everything he can to save her from her bleak fate.

Drawn together with an inescapable force, Hawk and River must wrest her soul from the Dark Lord's grasp before it's too late.
