Ayla y Jondalar emprenderán un viaje a caballo hacia sus lugares de origen, el curso de su aventura será a través de grandes llanuras batidas por el viento en la Europa de la Era Glacial. Conocerán otras tribus, que por no conocer la domesticación de animales ni los métodos de curación, les consideran seres enigmáticos y temibles. En su viaje aprenderán que el mundo desconocido puede ser difícil y traicionero, pero también profundamente bello y aleccionador.

**George Medrano:**

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see

colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this *Las llanuras del tránsito (Los Hijos de la Tierra)* (Spanish Edition) can make you feel more interested to read.
