Tess Simpson absolutely cannot handle seeing anyone suffer. When she volunteers to work as a candy striper after the Granton University school shooting, she is only supposed to coax the amnesiac in room 312 to eat his supper. Yeah right. After learning no one's come to visit him since he woke from a coma and can't remember who he is, Tess needs to make him feel loved, ASAP. Telling him she's his girlfriend isn't part of her plan, but that's exactly what blurts from her mouth.

Except one little lie made from the purest of intentions can still rattle the hardest of hearts.
