'In those weeks following the audition I'd started to think that maybe I could do well in the competition, and even to see beyond bootcamp and what doing well could mean. I knew I never wanted to go back to painting, whatever happened.'

Matt's dream has come true, and this is his story. Painter-decorator, bricklayer, milkman, even Santa, Matt's always been in bands, always putting off starting a career because he knew that what he really wanted to do was sing.

Charismatic but down to earth, loved by the judges, the other contestants and, of course, the public for his cheeky smile and warm heart, Matt is a true star in the making.

Packed full of unseen photographs shot especially for the book, backstage footage, behind-the-scenes gossip and the full and remarkable story of the winner from X Factor hopeful to popstar sensation, this book is a must-have for all X Factor fans.
