Ever feel like things just aren't going your way? Like the plans you thought you had for your life have been destroyed by either your own doing or someone else's? You're not alone...but just hold on! There's a solution! In this book, Linda Bowley shares a little different "twist" from the true Biblical story of Jonah, and how his journey from boarding a boat to laying on a sandy shore and then accomplishing God's will correlates with some of her own experiences. "Overboard" is a confirmation that God can and will restore and lead you into a life of overwhelming, overcoming victory. She explains simple truths that prove it's just not that hard to recognize and follow God's plan for your life, and enjoy all He has for you and your family.
