With WW II as a backdrop, *Terror Before Dawn* is a moving memoir written through the eyes of a young girl. Just a child when the Nazis invaded Oslo, Anne Ragnild Fagerberg shares her intimate story of the horrors the war brought to the Norwegian people. Written with a spirit and determination of a child of the resistance, the story recounts the day-to-day life of a brave girl and her family trying desperately to reclaim their freedom and once peaceful and privileged lives, during Germany's five year occupation of their country. Her son, William Sterling Williams, brought the hand written manuscript to life in these pages and will leave the reader enthralled and wanting more.
