Across the Nightingale Floor (Tales of the Otori, Book 1) Lian Hearn

Every now and then a novel appears, completely unlike anything that has appeared before. *Across the Nightingale Floor* is such a work-a magical creation of a world beyond time.

Set in an imaginary, ancient Japanese society dominated by warring clans, *Across the Nightingale Floor* is a story of a boy who is suddenly plucked from his life in a remote and peaceful village to find himself a pawn in a political scheme, filled with treacherous warlords, rivalry-and the intensity of first love. In a culture ruled by codes of honor and formal rituals, Takeo must look inside himself to discover the powers that will enable him to fulfill his destiny.

A work of transcendent storytelling with an appeal that crosses genres, genders, and generations, *Across the Nightingale Floor* is a rich and brilliantly constructed tale, mythic in its themes and epic in its vision. It is poised to become the most captivating novel of the year.
