Angels: Agents of Light, Love, and Power Donald Parry

Angels: Agents of Light, Love, and Power is the most thorough book on this vital—but often misunderstood—topic. Brother Parry, who has spoken about angels at BYU Education Week, has painstakingly researched what we can learn from the scriptures and from statements of modern prophets about angels and their missions. Chapters in this book focus on such topics as what angels are, what powers and abilities they are given, how they communicate with mortals (including their interaction with little children), what missions and roles they are assigned, how they restore priesthood and keys, how they reveal truth and teach the doctrines of the gospel, and what their roles will be in the Second Coming and during the Judgment. It includes a discussion of how angels minister to and comfort mortals, and about the role of guardian angels.
