A Celtic Primer: The Complete Celtic Worship Resource and Collection Brendan O'Malley

Drawn from a wide range of biblical, ancient, and contemporary sources, *A Celtic Primer* is the most complete Celtic worship resource available. With its unique blend of materials, this collection offers something both authentically traditional and radically new. The celebration of the work of God in creation and redemption is the theme woven throughout the writing, and it resonates deeply with the contemporary search for a sense of transcendence in daily life.

Based on the historical concept of the primer, which teaches a pattern of daily prayer in the monastic style, *A Celtic Primer* contains everything necessary for creating liturgies for a wide range of formal and informal worship occasions, as well as for personal prayer. Outlines and a broad selection of texts are included for morning prayer, midday prayer, evening prayer, compline, and a Celtic Eucharist. Seasonal prayers, prayers of penitence, intercessions, hymns, Bible readings, body prayers, a Psalter, and daily meditation texts round out this collection.

This complete manual?along with a CD?makes the perfect tool for clergy, chaplains, worship leaders, and small-group leaders, as well as individuals seeking to establish a pattern of daily prayer.
