The word is out about Sadie Hoffmiller's amateur detective work, but it's not exactly the kind of publicity Sadie wants. In the newest culinary mystery from bestselling author Josi Kilpack, Sadie accepts her first investigation-for-hire and travels to Portland, Oregon, at the request of a woman who has suspicions about her wealthy father's untimely death. Putting her detective skills to the test, Sadie delves into a past business partnership that didn't end well, discovers some unsavory family secrets, and exposes more than a few motives for murder. When the investigation leads to threats against her safety, Sadie pretends to crumble under the pressure. But secretly, she is more determined than ever to uncover answers that seem to be buried in shocking scandal, insatiable appetites, and pure greed. Includes eight new mouthwatering recipes, tested and approved by the official bakers of Sadie's Virtual Test Kitchen. Josi's culinary mysteries have become favorites with members of Goodreads and other book networking sites. Reader's guide available online.
