**Hades doesn't often give second chances...**

Xypher has one month on Earth to redeem himself through one good deed or be condemned to eternal torture in Tarturus. But redemption means little to a demigod who only wants vengeance on the one who caused his downfall.

**Until one day in a cemetery...**

Simone Dubois is a medical examiner with a real knack for the job. Those who are wrongfully killed appear to her and help her find the evidence the police need to convict their killers. But when a man appears and tells her that she's more than just a psychic, she's convinced he's insane.

**Now the fate of the world hangs in her hands...**

It was bad enough when just the dead relied on her. Now's there's the seductive Dream-Hunter Xypher who needs Simone's help in opening a portal to the Atlantean hell realm to fight insatiable demons. The future of mankind is at stake—and so is her life. The only question now is: Who is the bigger threat: the demons out to kill her, or the man who has left her forever changed?

**"Brisk, ironic, sexy, and relentlessly imaginative."—*Boston Globe***
