El bombardeo (Spanish Edition)

Jorge Coscia

El bombardeo (Spanish Edition) Jorge Coscia

Jorge Coscia toma uno de los momentos más significativos de la historia argentina reciente: el bombardeo golpista que mató a casi 400 personas en Plaza de Mayo, el 16 de junio de 1955. A partir de este hecho, y basándose en documentos reales, escribe una novela sumamente rica, tanto en su aspecto político como narrativo. El relato sigue cronológicamente lo sucedido antes y durante el bombardeo para sumergirnos en la intimidad de Perón, sus pensamientos, sus vacilaciones y en el recuerdo de Evita.

En El bombardeo están representados y enfrentados todos los puntos de vista, incluso dentro del mismo peronismo, o dentro de los distintos mandos militares. Las internas en la Armada, los monopolios industrialistas, la Iglesia, las capas sociales, las potencias continentales: todos son sujetos del escrutinio político del relato.

Después de la novela Juan y Eva, Coscia nos sorprende con esta apasionante ficción que permite iluminar diferentes aspectos del desarrollo sociopolítico de nuestro país.
