*Use quality questioning to bring out the best in your learning community!*

Quality questioning is a process for engaging individuals in reflection, critical thinking, and collaboration. The authors demonstrate how questions, not answers, drive school improvement and growth for a learning community. This handbook for school and district leaders applies the principles of the best-selling book *Quality Questioning* to four critical leadership functions:

- Maximizing individual and organizational capacity
- Mobilizing individuals and groups to build ownership and commitment across a community
- Mediating conflict by helping individuals find common ground and focus on shared purpose
- Monitoring progress toward identified goals
