**Major Incident Medical Management and Support: The Practical Approach in the Hospital** Advanced Life Support Group

This is the course book for a new ALSG course on preparation for and medical management of major incidents within the hospital. It will be a companion volume to MIMMS, which deals with the prehospital situation, and will meet an ever increasing need as natural and other disasters affect hospital staff and administrators. The course aims to provide a systematic approach for all personnel who would be involved in managing a major incident in the hospital.
