Wish You Were Here

One last summer before college on beautiful Tybee Island is supposed to help Sienna forget. But how can she? This is where her family spent every summer before everything changed, before the world as she knew it was ripped away.

But the past isn't easily left behind. Especially when Sienna keeps having episodes that take her back to the night she wants to forget. Even when she meets the mysterious Austin Dobbs, the guy with the intense blue eyes, athlete's body, and weakness for pralines who scooped her out of trouble when she blacked out on River Street.

When she's with Austin, Sienna feels a whole new world opening up to her. Austin has secrets, and she has history. But caught between the past and the future, Sienna can still choose what happens now. . .
