**Finding God in the Dark: Faith, Disappointment, and the Struggle to Believe** Ted Kluck, Ronnie Martin  
God has not forgotten about you.

That's hard to remember in the face of disillusionment or heartache. Unbelief and doubt are buried deep within us, especially when we question God's goodness in the face of loss and abandonment. Ted Kluck's world was turned upside down after experiencing a failed adoption, where he found himself propelled into a year of doubt and disillusionment. Ronnie Martin struggled with the kind of identity and idolatry issues that come with being a well-known recording artist, before the unexpected death of his father allowed those sins to be brought to the surface of his heart. It is in the midst of these and other everyday stories that we learn how God reveals His boundless grace to every one of us.

Whether you've lost someone you loved, suffered career failure, or simply been let down by a fellow Christian, it's natural to wonder whether God has forgotten about you. You're not alone. But as a believer, you can trust that overcoming individual challenges will prepare you for a greater purpose. Kluck and Martin's raw revelations about their mistakes and disappointments will help you on your own journey to finding God when you're standing in the dark.

"This work runs the gamut from the loss of a loved one, to questioning God, to personal demons such as the lack of humility, to creating God in our image by having our own 'personal Jesus.' *Finding God in the Dark* will appeal to admirers of Philip Yancey's *Where Is God When It Hurts?* Readers who are struggling spiritually or have friends or family who are will find this resource helpful."

*The Baptist Standard*
