Law on the battlefield (Melland Schill Studies in International Law MUP)

A.P.V. Rogers

Law on the battlefield (Melland Schill Studies in International Law MUP) A.P.V. Rogers

The book explains the law relating to the conduct of hostilities and provides guidance on difficult or controversial aspects of the law. It covers who or what may legitimately be attacked and what precautions must be taken to protect civilians, cultural property or the natural environment. It deals with the responsibility of commanders and how the law is enforced. There are also chapters on internal armed conflicts and the security aspects of belligerent occupation.

The author has taken the rules of the law of armed conflict, examined their historical origin and current exposition, dealt with problems of interpretation and application, and reached conclusions about how they should be applied in practice. In doing so, he bridges the gap between the legal theory propounded in academic works and the actual conduct of military operations as evidenced in military manuals or in practice.

In its third edition, the book has been brought up to date in the light of recent conflicts, especially the occupation of Iraq by allied forces in the period 2003-04, the more recent judgments and opinions of the International Criminal Tribunal for the former Yugoslavia, the International Court of Justice and the European Court of Human Rights, the comprehensive work of the International Committee of the Red Cross with regard to customary international humanitarian law and the meaning of 'direct participation in hostilities', the Harvard University air and missile warfare project, the San Remo Manual on non-international armed conflicts, the UK Law of Armed Conflict Manual of 2004 and several excellent monographs.

Written by a former military lawyer, the book will be of interest to military commanders, their staff and legal advisers but also to officials in Foreign and Defence Ministries and non governmental agencies working in conflict situations, as well as staff of international courts and tribunals dealing with war crimes. Previous editions have been recommended reading for students of international law at many universities in the United Kingdom and abroad.

From reader reviews:

Maria Hernandez:

What do you think of book? It is just for students as they are still students or the idea for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has different personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great and also important the book Law on the battlefield (Melland Schill Studies in International Law MUP). All type of book are you able to see on many methods. You can look for the internet sources or other social media.

Donald Jefferies:

This Law on the battlefield (Melland Schill Studies in International Law MUP) are reliable for you who want to be considered a successful person, why. The explanation of this Law on the battlefield (Melland Schill Studies in International Law MUP) can be on the list of great books you must have is giving you more than just simple studying food but feed anyone with information that possibly will shock your earlier knowledge. This book is handy, you can bring it almost everywhere and whenever your conditions in the e-book and printed versions. Beside that this Law on the battlefield (Melland Schill Studies in International Law MUP) giving you an enormous of experience like rich vocabulary, giving you trial of critical thinking that we know it useful in your day action. So , let's have it and luxuriate in reading.

Belinda Kirwin:

People live in this new morning of lifestyle always aim to and must have the spare time or they will get lot of stress from both lifestyle and work. So , when we ask do people have time, we will say absolutely yes. People is human not really a huge robot. Then we request again, what kind of activity are there when the spare time coming to anyone of course your answer will unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, the particular book you have read is usually Law on the battlefield (Melland Schill Studies in International Law MUP).

Mathew Munz:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Law on the battlefield (Melland Schill Studies in International Law MUP) can make you really feel more interested to read.
