As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you.
