**Indigo y niños de hoy (Creceer Hoy / Growing Today) (Spanish Edition)** Gabriela Bedouchad

Una realidad incuestionable se nos impone día a día. Y decidimos "incuestionable" ya que seguramente la mayoría de nosotros ya nos hemos encontrado con ellos... Niños y adolescentes que parecen llegar a la vida con características más que especiales... Son reconocidos por su armonía, su equilibrio interior y la fluidez con que presentan sabias cuestiones vitales con absoluta normalidad, entre otras particularidades. Frente a esta realidad se plantea la necesidad básica de cambio en nuestra percepción, de la urgencia de abrir la mente y el corazón, de ensanchar la conciencia, de una actitud de mayor sensibilidad y compromiso en el adulto educador. Esa transformación implica un trabajo de autoeducación, para luego recién estar en condiciones de educar a otros. Por eso hablamos de "nuevos adultos para nuevos niños".
