La Última Manada De Hombres Lobo (Spanish Edition) Vianka Van Bokkem

Durante el trascurso de mi historia, mi vida se verá amenazada por un hombre lobo macho alfa obsesivo.

La sorprendente llegada de los hermanos gemelos licántropos Kennan y Hendrix me va a enseñar que existe el amor verdadero.

La manada y unos amigos vampiros lucharán juntos para lograr un objetivo común que se llama venganza.

Varios grupos de personas solían hablar de «El Fin del Mundo», más conocido como el «Apocalipsis».

En el transcurso del tiempo, el mundo no se acabó. Los humanos, vampiros y hombres lobo no se vieron diezmados por las sofisticadas armas que hicieron estallar todo a su paso.

Quienes los diezmaron fueron los cientos de científicos de todo el mundo, que propagaron los letales virus que guardaban dentro de incubadoras para su «futuro estudio».

Me llamo Julissa, soy rumana y la hembra alfa de la última manada de hombres lobo.
