Nine Jan Burke

Hailed by reviewers and fellow authors alike, Edgar Award winner Jan Burke has won a legion of devoted readers with her witty, ingeniously crafted novels featuring Irene Kelly. Now Burke, who earned critical acclaim for her stunning departure novel, *Flight*, returns with another electrifying thriller: *Nine* will hold readers in thrall until the breathtaking conclusion.

When a brutal felon on the FBI's Ten Most Wanted list turns up dead in Los Angeles County, few mourn him; in fact, the public begins to cheer his unknown assailants as heroes. But as more brutalized corpses of fugitive outlaws are found, Sheriff's Homicide Detective Alex Brandon knows that the vigilante group the public has nicknamed "The Exterminators" may be far more ruthless and sadistic than its victims.

The corpses bear eerie similarities to victims of a serial killer investigated by Brandon ten years ago. The perpetrator died at the hands of his own deeply traumatized teenaged stepson, Kit Logan. Logan, protected by his wealthy family, never spent a day in jail; instead, he was sent to a private reform school for the truant sons of L.A.'s most affluent. Alex Brandon, unable to locate Logan for questioning, has a chilling sense he is being manipulated. But why?

A terrifying novel that asks what happens when justice is no longer enough, *Nine* introduces an unforgettable protagonist. A modern morality tale, it is another captivating gem from an acclaimed master of mystery and suspense.
