## Sayings of the Jewish Fathers Charles Taylor

Masseketh Aboth , best known [with the addition of Pereq Rabbi Meir] as Pirqe Aboth, or Chapters of the Fathers, is a Mishnah Tract in Seder Neziqin, where it stands between 'Abodah Zarah and Horaioth. It takes its name from the fact that it consists to a great extent of maxims of the Jewish fathers whose names are mentioned in its pages, and is chiefly valued as a compendium of practical ethics, although it is not without a mystical element in portions of its Fifth and concluding Chapter. Its simplicity and intrinsic excellence have secured for aboth a widespread and lasting popularity, and have led to its being excerpted from the Talmud and used liturgically in the Synagogue, at certain seasons, from an early period.
