Sky Sailors: True Stories of the Balloon Era

David L. Bristow

Sky Sailors: True Stories of the Balloon Era David L. Bristow

For more than a century before airplanes, people explored the sky in balloons. From 1783 to the early 1900s, aeronauts flew into storms, crossed large bodies of water, sailed over enemy armies, and soared to deadly altitudes. Illustrated in full color with dramatic period artwork, *Sky Sailors* by David L. Bristow presents the stories of the pioneers of human flight, such as daredevil Sophie Blanchard from Napoleon's France, and Salomon Andree, who led an aerial assault on the North Pole in 1897.
