Europe sociale et travailleurs pluriactifs: La législation applicable en matière de sécurité sociale (Droit social) (French Edition) Gilbert Paolin

Au travers de son expérience, l'auteur a observé que les dispositions relatives aux travailleurs pluriactifs sont utilisées sans réellement qu'une différence soit faite avec les autres règles relatives à la détermination de la législation de sécurité sociale applicable.

Cet ouvrage rappelle l'évolution des dispositions relatives aux travailleurs pluriactifs, au travers des cas rencontrés dans la jurisprudence de la Cour de justice en matière de libre circulation des travailleurs et des personnes.

Sa lecture permet de comprendre de manière simple et pédagogique le fonctionnement des règles en matière de détermination de la législation applicable. Au travers d'une analyse critique, son auteur souligne des différences entre la conception jurisprudentielle et la conception retenue par les institutions administratives en matière de sécurité sociale.

Enfin, cet ouvrage vise aussi à rappeler l'objectif de simplification des règles en matière de détermination de la législation de sécurité sociale applicable dans l'intérêt des travailleurs et des personnes.
