Denise Sullivan

Keep On Pushing: Black Power Music from Blues to Hip-hop Denise Sullivan

Author Denise Sullivan explores the bond between music and social change and traces the evolution of protest music over the past five decades. The marriage of music and social change didn't originate with the civil rights and black power movements of the 1950s and 1960s, but never before had the relationship between the two been so dynamic. Black music altered the road to liberation for minorities, sparking creativity and resulting in a genre-encompassing poetry, jazz, folk, and rock along with a new brand of prideful and political soul and funk. Through extensive research and exclusive interviews with musician-activists such as Yoko Ono, Richie Havens, Janis Ian, and Buffy Sainte-Marie, this chronicle details the struggle that went into the creation of liberation music. A bittersweet narrative covering more than 50 years of fighting oppression through song, *Keep On Pushing* defines the soundtrack to revolution and the price paid to create it.

From reader reviews:

Richard Slawson:

In this 21st millennium, people become competitive in every way. By being competitive today, people have to do something to make these individuals survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive improves then having a chance to endure than other is high. For you personally who want to start reading a book, we give you that *Keep On Pushing: Black Power Music from Blues to Hip-hop* book as nice and daily reading book. Why, because this book is usually more than just a book.

Melissa Fanning:

Typically the book *Keep On Pushing: Black Power Music from Blues to Hip-hop* has a lot of information on it. So when you make sure to read this book you can get a lot of benefit. The book was written by the very famous author. The writer makes some research before writing this book. This kind of book is very easy to read you can get the point easily after looking over this book.

John Thornton:

The reason why? Because this *Keep On Pushing: Black Power Music from Blues to Hip-hop* is an unordinary book that the inside of the e-book is waiting for you to snap it but later it will zap you with the secret idea inside. Reading this book alongside it was a fantastic author who has written the book in such an incredible way makes the content inside easier to understand, an entertaining method but still conveys the meaning entirely. So, it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book has such as help improving your expertise and your critical thinking approach. So, still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

Hector Medlin:

That book can make you to feel relax. This particular book *Keep On Pushing: Black Power Music from Blues to Hip-hop* was multi-colored and of course has pictures on there. As we know that book *Keep On Pushing: Black Power Music from Blues to Hip-hop* has many kinds or variety. Start from kids until young adults. For example *Naruto* or *Investigator Conan* you can read and believe you are the character on there. Therefore, not all of books tend to be made to make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading that.
