My House in Damascus: An Inside View of the Syrian Revolution

Diana Darke

My House in Damascus: An Inside View of the Syrian Revolution Diana Darke

The ongoing conflict in Syria has made clear just how limited the general knowledge of Syrian society and history is in the West. For those watching the headlines and wondering what led the nation to this point, and what might come next, this book is a perfect place to start developing a deeper understanding.

Based on decades of living and working in Syria, *My House in Damascus* offers an inside view of Syria's cultural and complex religious and ethnic communities. Diana Darke, a fluent Arabic speaker who moved to Damascus in 2004 after decades of regular visits, details the ways that the Assad regime, and its relationship to the people, differs from the regimes in Egypt, Tunisia, and Libya—and why it was thus always less likely to collapse quickly, even in the face of widespread unrest and violence. Through the author's firsthand experiences of buying and restoring a house in the old city of Damascus, which she later offered as a sanctuary to friends, Darke presents a clear picture of the realities of life on the ground and what hope there is for Syria's future.
