The ultimate beauty of sharing is that it's a solution we create for ourselves. It's not a government program, nor is it the "latest and greatest" product marketed to us on billboards. It's a solution based on our own needs and lifestyles, in our own communities. It's a way for each of us to shape our own lives in positive ways and simultaneously benefit the world as a whole. In that respect, sharing is more than a simple trend: Some might even say our society is moving toward a sharing revolution. We hope you'll use *The Sharing Solution* to become part of it.
