Adopción, los hijos del anhelo (Spanish Edition) María Hope, Teresa Martínez

Incluye audio del autor.

De qué manera enfrenta una pareja su infertilidad?

Muchas insisten una y otra vez hasta que la naturaleza les da la pauta para sucumbir. Otras lo asumen simplemente, se olvidan de la posibilidad de ser padres y encauzan sus energías hacia otro lado. Y también están las que aceptan que no pueden procrear biológicamente pero que tienen el deseo de criar a un hijo. Estas últimas parejas, ávidas de entregarse en cuerpo y alma a un ser “ajeno a ellos biológicamente” son el motivo de este extraordinario reportaje periodístico convertido en libro.

A través de este trabajo de investigación se trata de responder a las preguntas que se formula cualquier padre adoptivo y que incluyen desde el nacimiento y la genética del niño o niña en cuestión, hasta su desempeño y capacidades como padres adoptivos.
