**Harlan Ellison, Richard Christian Matheson, Connie Willis, and many more contribute to a compelling psychological exploration of the many shades of love**

An incubus disguised as a high school girl puts a disturbing spin on the teacher/student fantasy. An engineer creates a robot with unexpected consequences during the end of the world. A man becomes the pet of alien invaders. From stories of aliens in other worlds to those living among us, these tales will move you out of your comfort zone and open you up to experiencing something—or someone—completely different.

This ebook features an illustrated biography of Ellen Datlow, including rare photos from the editor's personal collection.
