## Damascus: A History (Cities of the Ancient World) Ross Burns

This is the first book in English to relate the history of Damascus, bringing out the crucial role the city has played at many points in the region's past. *Damascus* traces the history of this colourful, significant and complex city through its physical development, from the city's emergence in around 7000 BC through the changing cavalcade of Aramaean, Persian, Greek, Roman, Byzantine, Arab, Mongol and French rulers right up to the end of Turkish control in 1918.

In Damascus, every layer of the history has built precisely on top of its predecessors for at least three millennia, leaving a detailed archaeological record of one of the oldest continuously inhabited cities in the world. The book looks particularly at the interplay between the western and eastern influences that have provided Damascus with such a rich past, and how this perfectly encapsulates the forces that have played over the Middle East as a whole from the earliest recorded times to the present.

Lavishly illustrated, *Damascus: A History* is a compelling and unique exploration of a fascinating city.

### **From reader reviews:**

#### **Yvonne Terrell:**

Book is to be different per grade. Book for children until finally adult are different content. As it is known to us that book is very important for us. The book Damascus: A History (Cities of the Ancient World) was making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The book Damascus: A History (Cities of the Ancient World) is not only giving you a lot more new information but also for being your friend when you truly feel bored. You can spend your own spend time to read your e-book. Try to make relationship while using book Damascus: A History (Cities of the Ancient World). You never truly feel lose out for everything should you read some books.

#### **Christopher Patton:**

As people who live in typically the modest era should be change about what going on or data even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what kind you should start with. This Damascus: A History (Cities of the Ancient World) is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

#### **Holley Shipman:**

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want send more knowledge just go with education books but if you want sense happy read one using theme for entertaining such as comic or novel. Typically the Damascus: A History (Cities of the Ancient World) is kind of reserve which is giving the reader unpredictable experience.

#### **James Turco:**

What is your hobby? Have you heard this question when you got students? We believe that that concern was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as reading through become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to provide you knowledge, except your current teacher or lecturer. You see good news or update regarding something by book. Different categories of books that can you go onto be your object. One of them is this Damascus: A History (Cities of the Ancient World).
