Real Words for Writers: Alphabetic Word List Linda A Bell

Even the most prolific writers and bloggers get stuck from time to time and need some words! I don't mean a bunch of hoity-toity words that fill up traditional reference books, like malapropos, usufruct, compendious, dishabille, and valetudinarian. I'm talking about REAL Words; words that people actually use in real-life conversations! As a lyricist who has sold over 2,000 sets of lyrics to advertisers nationally, and a consultant who specializes in helping clients find creative ways to market their products and services, I know how important it is to find the right word fast! Frustrated with not being able to find the type of reference book I was searching for, I started jotting down my own list of words. This project, which was a labor of love, born of necessity, grew into two books: REAL Words for Writers: Alphabetical Word List REAL Words for Songwriters: Alphabetical Word List and Abbreviated Rhyming Dictionary (see p.99) "REAL Words for Writers: Alphabetical Word List" is the ultimate QUICK-REFERENCE book for writing blogs, books, booklets, advertising copy, marketing materials, newsletters, website content, and more! It contains over 15,000 REAL Words, including base words and derivatives, to help you get unstuck and keep your creativity flowing!
