*Cass Weatherfield's powers come with a deadly price.*

Cass knows it was her telekinetic gift that killed a college classmate five years back, even if no one else believes her. She's lived in hiding from her fellow shadowminds ever since, plagued by guilt and suppressing her abilities with sedatives. Until the night her past walks back into her life in the form of sexy Shane Tanner, the ex-boyfriend who trained her...and the one she left without saying goodbye.

When Shane tells her that his twin sister, Mina—Cass's childhood friend—is missing, Cass vows to help, which means returning to New Orleans to use her dangerous skills in the search. But finding Mina only leads to darker questions. As Cass and Shane race to learn who is targeting shadowminds, they find themselves drawn to each other, body and soul. Just as their powerful intimacy reignites, events take a terrifying turn, and Cass realizes that to save the people she loves, she must embrace the powers that ruined her life.
