Voices of Dragons Carrie Vaughn

On one side of the border lies the modern world: the internet, homecoming dances, cell phones. On the other side dwell the ancient monsters who spark humanity's deepest fears: dragons.

Seventeen-year-old Kay Wyatt knows she's breaking the law by rock climbing near the border, but she'd rather have an adventure than follow the rules. When the dragon Artegal unexpectedly saves her life, the rules are abruptly shattered, and a secret friendship grows between them.

But suspicion and terror are the legacy of human and dragon interactions, and the fragile truce that has maintained peace between the species is unraveling. As tensions mount and battles begin, Kay and Artegal are caught in the middle. Can their friendship change the course of a war?

In her young-adult debut, *New York Times* bestselling author Carrie Vaughn presents a distinctly twenty-first-century tale of myths and machines, and an alliance that crosses a seemingly unbridgeable divide.
