“If there is no one to hear you scream, does it really matter?”
– **Season 1 of Dying Hope, Zombie Apocalypse**

Kindle book description:

The saga continues as Brody and Pippa start their lives fresh as the world falls apart around them. In a town overrun by horror and gruesome, flesh-eating ghouls, now orphaned, the two children find sanctuary and safety in the house of Charles, a nearby farm owner, and his Christian wife Felicity. Their new safe haven is surrounded with electrifying fence, and it not only keeps the monstrosities at bay, but it gives them precious time to let their guard down. While Pippa enjoys a daily hot shower and a soft mattress – something she's not used to – Brody keeps his head down and works on himself after he had killed a man with a blunt knife. But something doesn't feel right to Brody, not at first, anyway.

If you enjoy survival and zombie apocalypse books, then you don't want to miss episode 2.
