*London, 1822*

Two of London's most notorious rakehells, Linus Radcliffe and Robert Anderson, are the best of friends. They share *almost* everything—clothes, servants, their homes, and even each other's bed on occasion. The one thing they don't share: lovers. For while Linus prefers men, Robert prefers women...except when it comes to Linus.

As another Season nears its end, Robert can't ignore his growing jealousy. He hates watching Linus disappear from balls to dally with other men. Women are lovely, but Linus rouses feelings he's never felt with another. Unwilling to share his gorgeous friend another night, Robert has a proposition for Linus.

A proposition Linus flatly refuses—but not for the reasons Robert thinks. Still, Robert won't take no for an answer. He sets out to prove a thing or two to his best friend—yet will learn something about the heart himself.
