No two motherhood journeys are alike. All have challenges, and some mothers overcome their challenges in extraordinary ways. This book pays tribute to moms who rise above challenges large and small to create the best possible lives for their families. You'll be introduced to remarkable mothers who, while being vastly different, inspire others in their dedication to be the best mom possible, sometimes through harrowing and life-threatening circumstances. They are heroes who receive no public recognition for their commitment and sacrifice. Like mothers everywhere, that is what makes them the heroes that they are.
