Imaro: Book I Charles R. Saunders

Nyumbani is the Africa of a world other than the one we know – a world in which legend and history are one and the same, as are magic and reality. The vast, diverse continent faces menace on a terrifying scale, perpetrated by the Erriten, sorcerers who seek conquest and domination for themselves, as well as the ultimate ascendance of the unholy deities they serve. For those who are determined to forestall the horrendous aspirations of the Erriten, a weapon is needed – a weapon in the form of a warrior unsurpassed by any other.

Such a weapon must be shaped in the fiercest of heat, and sharpened by the most arduous of circumstances. Only then can the warrior's promise bear hopes for fulfillment.

This warrior, this weapon of destiny is – Imaro.
