## **Your Brain On Porn: Porn Addiction** nbm

Proposals to ban pornographic materials in the U.S. continue in certain states and localities, and countries such as India have succeeded in instituting such bans. However, this does not mean that total bans are the answer to these concerns. For the purposes of this examination, the term pornography refers to sexually explicit imagery or text designed to cause sexual arousal, and may include a variety of media, such as film, photograph, and digital image.
